One day Ned and the Nine Nasty Nosepickers decided to go on a bike ride to their favorite picnic spot.

Ned asked, "Does everyone have their helmet?"

The Nine Nasty Nosepickers all put their hands on their heads. Check!

Ned asked, "Does everyone have their lunchbox?"

The Nine Nasty Nosepickers all put their hands on their lunchbox. Check!

Ned asked, "Does everyone have their emergency kits?"

The Nine Nasty Nosepickers all put their fingers by the side of their nose. Check!

"OK," said Ned. "We're ready to go."

So Ned and the Nine Nasty Nosepickers all went riding their bikes in the countryside.

While teasing each other, Booger and Snot started riding their bikes too close to the edge of a cliff.

when you work as a team.

out of your nose.
Well, maybe not that.

But,
Ned and the
Nine Nasty Nosepickers
can!
